Org. Lett. 2004, 6 (1), 79–82. DOI: 10.1021/ol036113f

We erroneously designated compound 4 in Scheme 1 as “sumitriptan”. The compound is a homologue of sumatriptan. In addition, “sumitriptan” is misspelled and should be “sumatriptan.” Therefore, all mentions of “sumitriptan” in the paper should be replaced with “a homologue of sumatriptan.”
